Christmas is the time for presents – and a third makes the perfect gift

Ed and Diana are a couple in their 30s who would never dream of taking part in an orgy—even a private one. And yet Ed and Diana frequently invite a third person to share their bed. I know; I was there. I was curious why a couple would find threesomes so attractive.

“I don’t like the thought of being tied down to one woman,” explains Ed. “But on the other hand, I didn’t want to cheat on my wife. So threesomes are the ideal answer.

“As great as Diana is, she can’t be a different woman every time. And don’t forget that after 12 years of marriage I know every curve of her ass, every contour of her titties, the exact depth of her bellybutton, and just what will make her scream the loudest and come the quickest. She knows me too; she’s an expert at pleasing me, but sometimes you want a little surprise...”

“I like the variety too,” adds Diana. “There are some things Ed just isn’t as happy doing. For instance, I love to get my ass licked out real good. I beg to have a hot tongue probing my asshole and touching all the hidden places that connect straight into my pussy. I love to feel a little spit being pushed into my butt by a hot tongue that’s pointed and thrusting into me. When I feel my butthole being scraped by a hot probing tongue, I just want to scream! And I think I’d let anyone do anything to me right at that moment.

“Ed would do almost anything for me, but he doesn’t like to fuck my ass, and so he’s not crazy over eating me there either no matter how clean I am. I can live without getting my ass reamed, but I really do like to have it eaten out. He’ll do it, but as hard as he tries he doesn’t really put his heart into it and it shows. But when we have a third person in the bed with us, now that’s a whole new opportunity to get me steamed up.”

Ed says, “It’s not just having someone new in bed for me to play around with. It has an effect on Diana too. With the

addition of a third person she’s a different animal. That’s because she’s reacting to what they’re doing. It’s like throwing a wild card into our bedroom.

I noticed he was saying “they” rather than “she.” So I asked if their invited guest was sometimes another man.

“Of course I prefer another woman, but Diana prefers another man,” explains Ed. “Another woman is better, though. I still haven’t relaxed enough to interact with another dude in bed, so Diana gets a real workout when we have another man joining us and I get a little less action than usual. Don’t think I lose out though. I get to see Diana getting pumped by some other guy. I don’t know if I’d be comfortable thinking she was out screwing around with some guy behind my back, but looking at her creamy thighs spread on our bed while some other guy goes down on her juicy cunt is something that never fails to get me hard immediately.

“I told you there were different reasons we enjoy threesomes. Well, voyeurism is one of them. Neither of us would go look in someone’s window, but it’s totally legitimate when you’re watching your wife on your own bed getting her pussy eaten out by some guy whose tool is almost ready to spurt because Diana’s got him so excited.

“It’s nice to see that other men feel the same way about Diana as I do too. But mostly what I love to see is the way that she writhes on the bed as another dude laps her pussy or butthole, her or sticks his nose right up to her ass and prods it like he’s going to fuck her with it.

“Try to imagine you’re me, sitting on the edge of the bed and watching while some guy up-ends Diana, spits on her puckered asshole, and points his dick toward home. He moves it around a little, trying to find a good angle, while Diana wiggles with excitement and keeps backing up against him, hungry to get it in. Finally he pushes and the tip pops

in. Diana moans out loud and her eyes go wide. Her nipples are hard like bullets. If you rubbed them together I think you'd get sparks. I want to get down under her and suck them, and I will, but first I want to watch some more.

"The guy thrusts hard and enters her anus completely. Diana's body is moving around on that bed. She can't hold still. I peek under her. She's up on her hands and knees. Her pussy is covered with dew. I run a hand across her cuntlips and it comes away soaked. I lick my hand to taste her juices. I'd know my wife's taste anywhere.

"It's like her hips were on springs, moving back and forth in a wild rhythm that's more or less in time to the pounding this guy is giving her ass. Her face has a transfixed look. I don't think she knows I'm even there, right at that moment, and her nipples are even harder than before. I watch her as long as I can, as this guy pumps his cock in and out of her ass.

"Finally my cock just won't leave me alone and I can't ignore my own desire anymore. I wrench my eyes away from the sight of my wife's hips jackhammering her ass back and forth, and her hot pussy. Down I go under her titties and I gobble a mouthful of tit, sucking the rock-hard nipple as far back in my mouth as it will go and feeling the warmth of her mound of flesh as it fills my mouth. Then I let go and gulp down her other breast while Diana's body speeds up its motion. Now that she has this additional stimulation, it's all she can do to stay in any kind of rhythm when her body is boiling and her orgasm is ready to shatter her cunt.

"Of course, I want to be there when it does, so I wedge my face in between her rapid-fire hips and try to lick her clit with my tongue. It isn't easy to find—let alone stay on it—the way that hot number is moving her fucking ass. Every forward motion slams her soaking cunt against my nose, giving me a whiff of her personal perfume and wetting my face with the juices of her salivating pussy.

"Sometimes I come before she ever touches me, just from the fire in my dick when I watch her getting fucked and then eat her out and taste her hotness. Other times I manage to contain myself, but it's never easy to do. Sometimes I even shoot before she comes, or before the guy who's reaming her ass out shoots his cum into her hot crack."

"Of course, I get gypped out of watching when the per-

son who joins us is a guy, since Ed won't do anything with another guy, but I make up for it when the third person is a chick," adds Diana.

"The best part is," claims Ed, "I still get to watch too. Diana isn't bisexual in any other context, but she will get it on with a woman when we do threes."

"I don't think of myself as bisexual. I think of myself as liberated," says Diana. "I have no real desire to make it with a woman, and I don't gravitate to

women or feel a sexual attraction the way I do when some hunk shows up at a party. But I'm free enough of bullshit freakouts that if there's a woman in my bed with me, I can do something about it and not feel panicked by it."

Ed smiles and says, "I really love to watch two chicks get it on. What guy doesn't? I really believe—and I mean this now very seriously—I really believe that the biggest single attraction for most guys, when taking part in a threesome, isn't the chance to make it with another woman without it being cheating. Nor is it the chance to have two women working on him at once, which certainly is a strong reason to want to try a threesome. It's the desire to see two women turning each other on."

"We had a woman in our bed the night before last. I swear Ed enjoyed watching us even more than he enjoyed fucking her," says Diana.

"And it's not just that I didn't fuck her either," says Ed. "I fucked her and I got her to suck me too."

"You got her to? What's this 'got' bullshit? You couldn't have stopped that vacuum cleaner mouth if you'd tried. She was loaded for bear and determined to get you," Diana adds with a smile.

"She got me all right. Twice. She didn't leave anything for poor my poor little wife. The first thing we did, after we'd all just kind of played around some, touching each other and licking and kissing, was Diana got Vickie's boobies in her mouth and sucked them like she sucks cock. She started at the top, licking around the tip of each nipple, and snaked her tongue down slowly till she'd covered the entire nipple and the brown part around it. Then she closed her mouth over just that area and I could see her cheeks move in and out as she sucked."

Really getting into it, Ed went on: "After that she slowly worked down till she had a whole mouthful of tit and then she sucked up and down on it, just like it was a cock. Mine!

I could feel it all through my dick. Every time Diana sucked down on that nipple, it felt to me like she was sucking down on my cock. Then when she slowly let it out of her mouth and moved back up the booby, it felt like she was moving up the shaft of my schlong.

"When I thought I couldn't take anymore and I was seriously wondering whether to close my eyes or just look away, she stopped. But then wouldn't you know, she started in on the other tit, first working on the deep rich brown part and then taking in all the creamy flesh, inch by inch, till I was in agony over the way she was making my cock hurt so good! It really ached, and that's no exaggeration. I wanted to shove it into this other chick's mouth but she looked like all her attention was on Diana .and I didn't want to break it.

"That's just about when she looked at me, saw the condition I was in and said, 'Bring that thing over here where I can suck it.' She didn't need to tell me twice. I shoved it down her throat so hard she gagged, but she got control of the situation and pretty quickly she was making some wonderful music as she swallowed my cock. When I finally blasted my cum down her throat, she gulped it and kept on sucking like she could get more out if she just kept trying."

"She got more out of you all right," Diana chuckles.

Nods Ed: "Yeah, but that was a little later. I meant that it felt like she was trying to suck more out of me right then. Oh hell, you know what I meant."

Counters Diana: "Yes, and you know what I meant. By the time you sent your hot load down her throat I'd been working over her tits for 20 minutes. And she was so out of it she sounded like a crazed animal. I wasn't feeling too calm myself, but whose pussy did' you choose to eat?"

"I always serve my guests first," Ed quips.

"I don't think that rule holds in bed," counters Diana.

"I wanted to let her take care of you. I wanted to watch. What I really should have done was to let the two of you take care of each other while I watched," says Ed.

Diana snaps, "But what you did was to get on your belly between her legs and part her cunt lips so you could get a good view of her clit. And then you stuck out your tongue like a snake or a lizard and flicked away at her clit."

"It didn't take her long, did it? I thought she was going to drown me; I swallowed so much pussy juice. How

could one woman get that soaked? Anyhow it was hot and sweet and good-tasting, not as good as yours, of course, but clean and fresh and hot. It didn't take too many flicks of the tongue to get her to let me have it. There is no question about it when that chick comes. It feels as spectacular to her as it sounds and looks to the people watching. She must have one hell of a sex life. It's a wonder she ever gets out of bed if she enjoys it that much."

"Yeah, but then what did she do?" asks Diana.

"She said it was my turn and she told me to get on top of her, so I could ride her till I came."

"Which didn't take you long at all, did it?"

Ed laughs: "Are you kidding? After all that stimulation; I'm lucky I didn't come the minute I put it in her."

"Well, you nearly did," remembers Diana. "I reached over to shove a finger up your ass and make you hotter, and by the time I'd spit on my finger and shoved it up your asshole, you were already tightening your ass so much that I thought you were going to squeeze my finger till you cut the circulation off."

"You're complaining?? She ate you out next."

Diana smiles. "Mmm, she sure did. She started out by sort of tasting my honey-soaked twat and then she licked my clit for just second. But then she moved along to my inner lips, nibbling at them and tantalizing the living shit out of me. I locked my legs around her head and tried to make her do me on the clit, but she wanted to move at her own pace. Anyhow, you did me something by rubbing my breasts for me and stroking the nipples."

"I know how you love to have your tits played with. Besides, I was getting hot again from watching her mouth work over your cunt like that. It's like I said, voyeurism is a very large component of the thrill of a threesome."

"It looked good. There was Diana with three fingers up her cunt, one finger up her ass and your tongue on her clit. You sure gave her the royal treatment. She screamed so loud that I thought she was in pain. The sheets were so wet where she'd been lying that we had to change them before we went to sleep.

"Look at you," scolds Diana. "You're hard as a rock again just from talking about it."

"Well, let's not let a good thing go to waste," Ed says, then grabs for her...

BED RIDDEN

Please don't make me get out of bed on Christmas. I worked hard all year, and I was a nice girl – most of the time, anyway. So, my boyfriend bought me this outfit. I'm putting it on just for him, then it's coming off faster than he will!

LESBIAN SEDUCTION

“My best friend turned me on to lezzie lust!”

We were saying goodbye. I knew something was happening. But for just a moment I didn't know what it was. She showed me. She tightened her arms around me, leaned forward, and kissed me on the mouth. I felt a sudden sharp pang in between my legs at the same time that I felt her incredibly soft warm lips pressing against mine. I kissed her back, giving to her everything that she was giving to me.

Long moments later we drew apart, our bodies no longer touching but our arms continuing to encircle one another. We were flushed and blushing. Intimacy was brand new territory for us, something our best-friendship had never before included. Claire and I were both totally straight—as far as we knew. We'd often compared lovers and shared our sexual experiences; we'd even passed lovers on to one another, but never had we touched one another as we were then doing.

Claire's mouth thrilled and amazed me. Never before had I been kissed with such tenderness and was totally turned on to her. I sought her tongue, which began to slither around inside of my mouth. I licked and sucked it, tasting her sweet saliva. I longed to taste her cunt juices, knowing they'd be as sweet. I felt myself slipping away; when I was myself again—and how terribly sorry for myself I felt that it was over—I reached for her and we began to kiss again, this time while she was lying on top of me. I held her tight and played with her ass while I probed her mouth and

then her ears with my tongue. When I had her shivering and beginning to moan with desire, I gently rolled her over and began to feed on her breasts.

I licked them and sucked on her nipples and pinched them again (she'd seemed to like that earlier). I kept it up until she begged for mercy. And then I nibbled on them rapidly, chewing them up. Gently, of course. I could not have hurt her if I'd tried. I wanted only to love her. My fingers dug into her ass cheeks as I began to work my way down her body. I lingered at her belly, probing her navel with my tongue, and then used my nose to tease her pussy area.

When she opened her legs to me I licked her thighs and bit them gently before I touched her cunt. I didn't want her to come off immediately like I had; I wanted her to have as much pleasure as possible before she was done, and so I teased her. I made long slurping roads from her knees to her cunt, stopping before I reached it, and then began to bite around it. I bit her ass cheeks at the base abutting her cunt and then soothed them with licks and kisses.

It was obvious that Claire liked it more roughly than I, and so I tried to give it to her. My fingers pinched her ass, my nose dug into her pussy, my tongue pushed at her navel, and my teeth nipped her everywhere. From a slow start I was soon making rapid moves on her that had her gasping and moaning, begging for release. Eventually I could no longer resist her entreaties. I still clutched her ass cheeks tightly within my hands but I touched her cunt with my tongue so gently that it was as if a butterfly had lighted on it. She felt it though; it was obvious by the shudder that coursed through her body.

I moved my face up to her clit and took it into my mouth. I could feel it squirming as if it wanted to fuck my mouth, but I didn't keep it inside me long enough for her to come off. I moved back down to her cunt. I used my nose to part her lips and then I began to tongue-fuck her. She was as sweet-tasting as I'd expected and I licked and tasted and drank all of the juices that poured forth. Then, with a mouthful of her sweet cream, I moved my body up over hers and kissed her.

I stuck my tongue into her mouth and she sucked herself from me. We kissed with more passion than before and excited ourselves even more. While kissing her I moved my body around on hers, squashing her

breasts with my own, fucking her clit with mine, and mashing her with my body, which once more was begging for her.

When she began to rub her clit against mine I moved away again. I went back down to her cunt and began to eat. And eat her I did, like a hungry lumberjack—I was starving for her. I licked and fucked and sucked her puffy lips and then swiftly moved to take her clit into my mouth. I intended to continue teasing her of course, but she was too fast for me. By the time she felt her clit in my mouth she was beginning to come, so I sucked on her until her body was peaked and then finished with its surging movements.

She had me sit on the bed as I'd done before, with my legs hanging over the side, and then she knelt down in front of me. This time she spread my legs with her hands and pushed her face between them. She began to kiss my cunt and clit and soon moved to suck them. My breasts lay over her, touching her hair, being tickled by the flyaway strands that reached up to them; my nipples got hard immediately. She lifted her face from my cunt and gently pushed me back on the bed. Then, with her face buried in my cunt again, she reached her hands up and began to play with my breasts. This time she used a rougher touch.

It was good. It was different, and it was very, very good. I felt myself responding to her, coming close to coming as she tongue-fucked me and twisted my nipples in between her fingers. I began to strain for orgasm, pushing my body forward to capture more of her mouth. She felt me and responded by twisting my nipples harder, making them easily sensitive I thought beyond what we were doing... to what must eventually follow.

We kissed and embraced for long minutes. We began to touch one another's breasts. Hers are smallish, with long pointed nipples. My own are large and fleshy, with larger, more blunted nipples. At first our caresses were made through our clothing—tentative touches for shape followed by giddy “weightlifting” moves before we began to touch and tweak nipples. We did these things simultaneously, with wonder and awe and mounting sexual excitement. We did them slowly. Her fingers squeezing my nipples through my sweater made my stomach churn with longing. This simple pleasure was a million times more exciting than ever before in my life because it was Claire who was giving it to me. Just the idea of her hands on my breasts was enough to drive me crazy. The actuality of it was breathtaking! I could feel her nipples harden under my palms and fingers, and I was excited anew at the feel of them. I petted and gently squeezed her breasts, then rubbed and pinched her nipples. She moaned as I touched her, stopping her own movements at times be-

cause of the waves of excitement flooding through her body.

We were standing still, exploring and exciting one another, until Claire took me by the shoulders and led me to the bed. I sat down and she knelt in front of me, waiting for her to make the next move. She reached up, put her hands on my cheeks and tenderly kissed me again. Then she began to unbutton my sweater. She slipped it away from my body and reached up to caress my breasts through my bra. I shivered and she laughed a gentle, happy little laugh. She unbuttoned my skirt, and carefully, caressingly slipped off my pantyhose.

She knelt before me, touching my thighs, as I sat before her totally vulnerable and completely willing for whatever she chose to do. As I watched, she undressed herself. She didn't hurry, nor did she attempt to tantalize me by doing a striptease. I'm sure she knew the situation was such an incredible turn-on for me, as it was for her, and that we didn't need any manufactured excitors.

Once in her bra and panties, Claire sat down on the bed next to me. In one lovely fluid movement she lay back on the bed and drew me down beside her. Instinctively I turned on my side and began to touch her body. I was very gentle, very deliberate in my movements. This had never happened before and was unlikely to ever happen again, I thought. Our friendship had grown at college but we were several years out of college at this time and each had our own lives, including husbands and children, elsewhere. It was a guarantee that we would seldom, if ever, see one

another again, so we had to make the most of this one time, this first and probably last time.

And so I was taking my time, enjoying and savoring her body and the luscious way it felt to my hands and to those parts of my own body that were touching it. I took a long time caressing her, discovering her with my hands before I attempted to remove her panties. And then, when she was nude, I began to kiss her on the mouth again, and her face and neck. I licked those dear places and gently nibbled at them with my teeth and lips. I tasted her skin and her sweat and her delicious body, and would have continued doing what I was doing far longer if she had not grown impatient. She was anxious and “in love” too!

She rolled me away from her and removed my panties from where it was clinging to me with sweat and my juices. She kissed me the mouth but wasted no time there; her lips were on my nipples before I could catch my breath. She held one breast in her hands, fondling it as she licked and sucked on my nipple. She worked my nipple until it was so red and hard that it ached with an itch no scratching could have cured. Then she did the same for my other nipple.

Her attitude was so unusual for a lover that it took me by surprise. However, I was more than willing to cooperate. I lay back and allowed her the freedom to love me in whatever way she desired. Once she had my nipples completely aroused she moved her mouth down over my belly. With her lips and tongue she began to devour me—not like a hungry man wolfing down a meal but like an elegant woman dining on an exquisite dish. I rippled with pleasure as I felt her soaking me with her saliva. Occasionally I found myself remembering that this was Claire making love to me, and then I’d begin to shiver all over with renewed excitement. Because it was her, it was all so much better than it had ever been before.

Finally she began stirring around in my pussy with her fingers, parting the lips as she looked for my clit. When she had it between her fingers she gently rubbed it while she brought her face to my cunt and began to lap me. I can still remember what it felt like to have her poking her tongue around my cunt lips and then between them before she began to fuck me with it. I’m afraid I wasn’t very good for her: it was only a matter of a few moments of this before I began to shake with my orgasm, my whole body shuddering and jerking around on the bed as I came between her mouth and fingers. Within seconds of her taking my clit into her mouth, I came.

It was wonderful! And then it was terrible, because Claire immediately began to dress to leave. She kissed me and petted me, like you

would with a greedy child, but said she had to stop; she had to go home. It was four in the morning and there was no way she could stay out any longer. As it was, she didn’t know what she was going to tell her husband; although there was no way she was going to tell him the truth.

We both agreed that what we’d done had been private between us and would remain so. Our lovemaking was not to be shared with our husbands; it was not to be used as a turn-on when lovemaking grew stale. It was something wonderful that had happened to us, something neither of us had ever anticipated and neither of us was ever going to regret, and it was ours alone.

I lay in bed and remembered what we’d done, and I masturbated most of the early morning hours away. I couldn’t sleep. I kept the glow from our night burning until I drifted off to sleep the following night—in my own bed, lying beside my husband, and the last thing I remembered was the way it felt to be kissed by Claire. Thoughts of my beloved put me to sleep and gave me very happy dreams.

I never admitted to Claire that making love to her was something I’d fantasized all the years we were in college together. Somehow, it didn’t seem necessary. Thinking about it, knowing how “straight” we both are, I’m fairly certain she fantasized about me as well. Otherwise, how could that fantastic lovemaking we shared have ever occurred?

I’ll never know for sure but it really doesn’t matter. We had a night to remember and an opportunity to express the love we’ve always felt for one another in a rare and different way. We were very, very lucky.

PLAYS WITH SANTA'S BIG LITTLE ELF

My man's had an exhausting day shoveling reindeer shit, so I'm letting him take a rest on the sofa.

Okay, that's enough...

I told him to get up and drop his pants so I could fit a hat on him. Of course he was confused, but soon he got it and laughed.

Okay, how about now going hatless?
